

Weekly Newsletter

Week 4: 7/9 - 7/13

Weekly Highlights:

This week our campers immersed themselves in **Total Technology!** We took classic video games and re-created them into life-size games! We played Minecraft, Slither.io, Pac Man, Mario Kart and danced the day away at our Silent Disco! Campers wore headsets and danced to music on different stations! We look forward to next week for **'All Ball with a Twist'**

Friendly reminder that you **MUST LABEL EVERYTHING!** Our Lost & Found is growing fast and nothing has a name on it! We'd love to return items to their owner so please always label everything!

Also, please check the Lost & Found daily to see if your child has left anything behind. Thanks!

UPDATE: This week **ONLY** Red Wagon Lunches can be placed until Saturday due to website updates.

Upcoming Trips:

7/16 – Get Air (Open!)

7/16 – Turtle Back Zoo (Open!)

7/17 – Adventure Aquarium (limited spots left!)

7/18 – Discovery Museum (Open!)
