

2019 ALLAIRE COUNTRY DAY CAMP TEEN PROGRAMS

The goal of our Teen Programs is to offer **better** options for young individuals looking to use their summer for personal growth. We understand there are teens looking to do more than just hang out all summer long. We are targeting individuals looking to **advance** themselves in community service and **stand out** amongst fellow students during future endeavors. We have developed two **unique** programs to offer teens for an exclusive summer experience.

DISCLAIMER: Please note, participation in any of the teen programs does NOT guarantee your child a position as a camp counselor at Allaire Country Day Summer Camp in the future. At Allaire Country Day Camp we pride ourselves on offering the best recreational programming while being supervised by experienced, mature and qualified staff. In order to do this, we screen all applicants and hire based on experience, maturity, personality and other traits we expect our staff to possess. While majority of our staff are teachers and college students, there are limited spots available for young applicants.
